

TELEIOS: Equipping Ministry 2009 Summer Class Schedule

Camelback Bible Church

SUNDAY CLASS

“Peacemakers” — Mike and Cindy Bailey

Conflict! Part of every human’s existence. We have conflict in our homes, conflict in our neighborhoods, conflict in our workplaces, and in our world. It is all around us. This reality, however, does not take God by surprise. In fact, His Word says much about how to view and handle conflict in a way that brings honor to God, serves others, and helps us grow mature in faith.

The Peacemaker study is designed to explore and then apply those truths to the very present conflicts in our life. Through a discussion format participants will be able to hone their understanding of passages related to conflict management, and then be challenged to apply these principles to the situations that they or others they know currently confront.

Sundays, 9:00am — 10:30am, June 7 — July 26, Room 206

TUESDAY CLASS

“Women’s Prayer and Bible Study” — Susan Manor

Designed especially for businesswomen and/or early risers. Each morning opens with the study of a selected Bible passage taught by Susan Manor, a discussion — seeking to understand the humble prayer (supplication), application and answer to prayer within the passage, then leading into personal and corporate prayer. The week-by-week assignments are printed in the *In Touch*. Newcomers are welcome to join in at any time.

Tuesday mornings, 7:00am — 9:00am, Every Tuesday, Church Library

(Please note: Class will take a summer break during June and July, returning on August 4)

THURSDAY CLASS

“Memory and Scripture” — Gordon Donaldson

No doubt every Christian, at some time, has memorized a few Bible verses. Yet, some think they cannot memorize, or are too old to do so! But perhaps few have looked into the principles involved in strengthening one’s ability to memorize. This class is on memory development with the Scriptures in mind. Our objective is not just the memorizing of verses as such, but the training of the mind to memorize, through the use of the “laws of memory.” Obviously, our aim will be to equip one for grasping Scripture in this manner — to carry it within one’s thinking and apply its truth, when a Bible may not be accessible.

Thursday evenings, 7:00pm — 8:30pm, Six Thursdays, May 7 — June 18, Church Library

(Class will not be held on May 21)
