(A copy of each complete report is available from the Missionary Stand in the Narthex)

Jonathan and Elena Banegas; Young Life International, Spain; jonathan.banegas@spain.younglife.org

July 24- PRAY- we would like you to keep praying for a full summer camp in August. As you already know, we are facing the important decision whether to cancel the camp or assume that we'll end with important red numbers. We trust in the Lord that He'll bring all the campers needed! Please, be **PRAYING** that the Lord be already working on the campers' lives in order that the Gospel proclaimed make its results in their hearts through the work of the Holy Spirit. **PRAY** for our Street Summer Basketball camp starting next week. We would like to contact with a lot of new kids! Please, pray for the 23 campers, 6 leaders and 18 hosts families involved in our YL USA Camp. Please **PRAY** for the work we are doing with local churches around the area in order to be able to build bridges of collaboration together. Please, **PRAY** for my family and myself in the ministry. **PRAISE** the Lord because we already have Jessica Pereira full time on staff here! She is a great addition to the ministry and a great help to me. It is definitely an answer to our prayers. She is really taking some of the load from my shoulders and it is very much appreciated. I can now focus more in other areas of the ministry that I had no time before. **PRAISE** the Lord for Miquel Sois. I keep the discipleship with him. He is attending club and bringing friends with him. He is also helping us with our Street Basketball camp. (Since we first contacted him 4 years ago at that program). Please keep praying for him.

Buingo and Esther Mateene; Harvest Foundation; DR Congo; bmateene@yahoo.com

July 25 – PRAISE God for His hand on each of us in our team. Everyone is really committed to accomplish his task as trainer. **PRAISE** God for Esther's health. She is now able to walk and sleep without problem like last year. **PRAY** for our local staff. They are all voluntaries; they need to be motivated by prayer with their families. **PRAY** for the Single Mothers Project with their children. We are looking on how we can build two rooms for those children of Single Mothers when themselves are learning to sew and learning others lessons. We are also thinking on how to motivate their teachers. For now we have some teachers from one of leaders who followed our training about Wholistic Ministry. Please **PRAY** also for the need of an office which will be used as a training center. This is a need because of many requests we get from many leaders of churches and denominations. They want us to train them and their deacons.

Paul Bell; Adventures in Missions; The World Race; <http://paulbell.theworldrace.org/> (his blog)

July 26- PRAISE My team and I are in our last six weeks out here on the field. We have been seeing some awesome things here in Tanzania, and just yesterday we saw two women leave Islam and radically gave their lives over to Jesus. They even asked if we could come to their houses to tell their friends and family! Please be praying for strength for my team and I in these last weeks, as the last 10 months have definitely been awesome, but a bit exhausting. We want to see God pour out more of His spirit wherever we go, and we pray that we will make the most of the time we have left.

Francois and Helene Picard; Bible Training for Pastors and Lay People; Canada/SEMBEQ; f.picard@sembec.qc.ca

July 28 – It is now time to send you François Picard's quarterly report. I am sorry to tell you it is impossible to do that at the present time. François has been temporarily released from his duties by SEMBEQ's CA to take care of his dying wife. Her situation is aggravating fast. She underwent radiotherapy and chemotherapy treatments for a week and was unable to continue. François is spending all of his time with Héléne. They have deep conversations about death and eternity. They are planning the details of her funeral before it gets too difficult. Héléne is trying to spend time with her relatives and to testify to as many as possible. She is in peace with the idea of leaving this world and knows where she is going. Please keep praying for François, Héléne and Jérémie. Pray that Jérémie will remain strong in the Lord through all this and that God will lift François up and give him the strength to persevere.
